

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the left and right sides of the slide, framing the central text. The overall aesthetic is clean and modern.

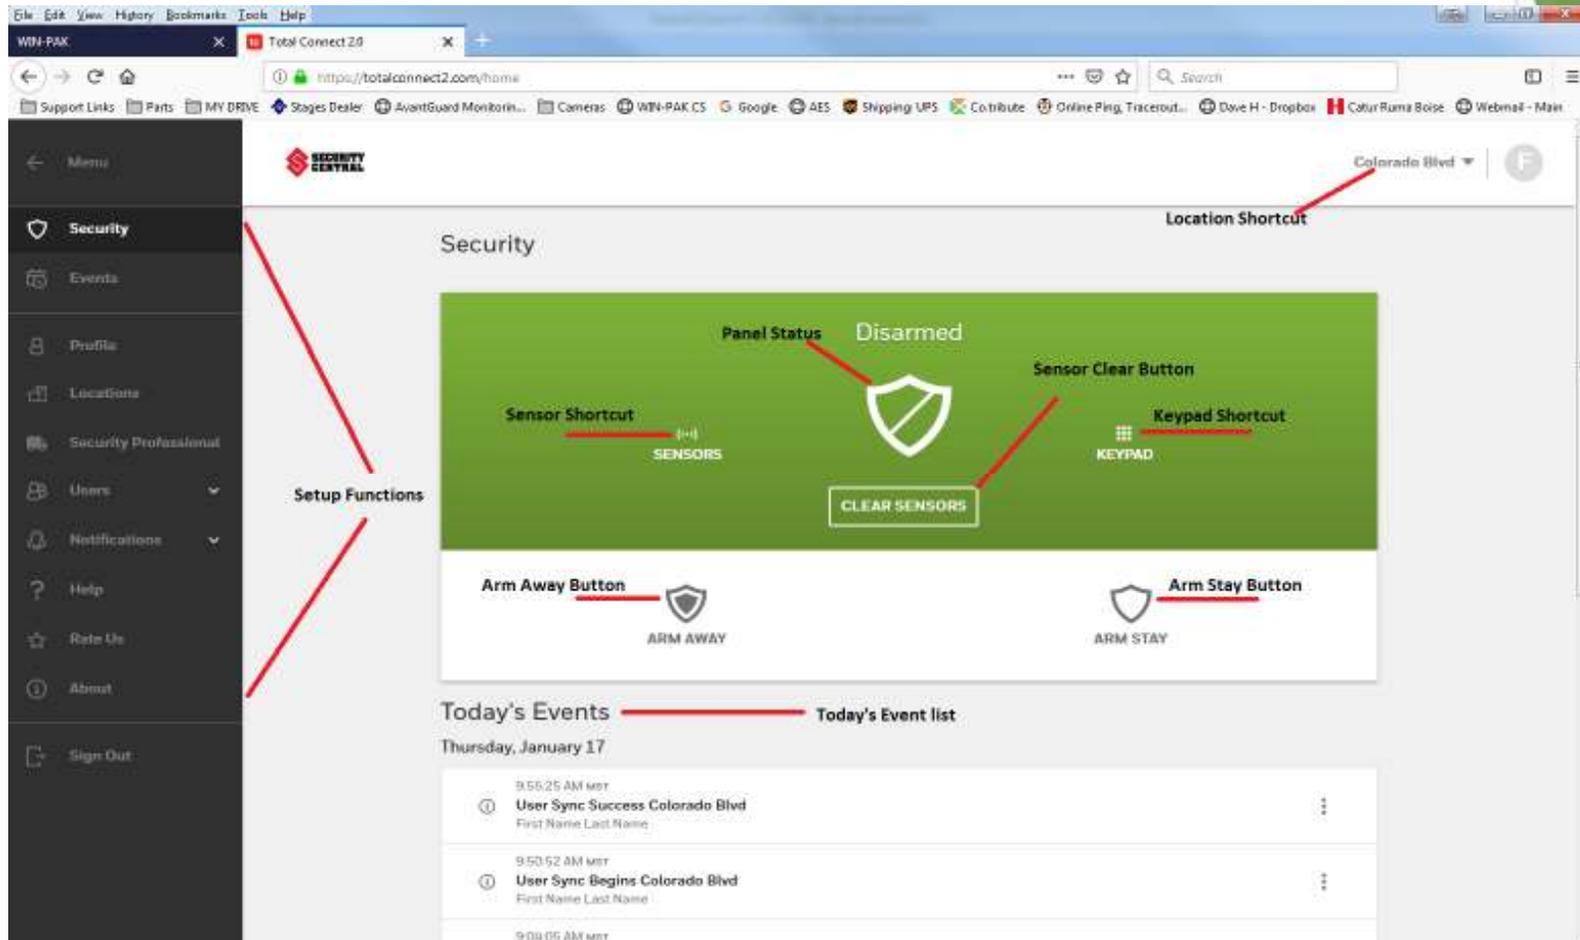

# Total Connect

Administrator Functions

# Login Screen

# Home Screen

This screen has many different options I have them listed out

# Location Selection tab

The screenshot displays the Security Central web interface. The browser address bar shows the URL <https://totalconnect2.com/home>. The left sidebar contains a navigation menu with the following items: Menu, Security, Events, Profile, Locations, Security Professional, Users, Notifications, Help, Rate Us, About, and Sign Out. The main content area is titled "Security" and features a large green "Disarmed" status banner with a shield icon and a "CLEAR SENSORS" button. Below the banner are "SENSORS" and "KEYPAD" controls, and "ARM AWAY" and "ARM STAY" buttons. A dropdown menu is open, listing the following locations: Colorado Blvd, County Line, 3020 Federal, 11150 E. Dartmouth, Pipkin, and a "View all locations" link. The "Today's Events" section for Wednesday, January 16, lists three events: "Geofence exited - Disarmed" at 3:47:05 PM, "User Sync Success Colorado Blvd" at 2:27:27 PM, and an event at 2:22:00 PM.

# Events Tab

The screenshot shows a web browser window displaying the 'Events' tab of the Total Connect 2.0 interface. The browser's address bar shows the URL <https://totalconnect2.com/home/events>. The page features a dark sidebar on the left with navigation options: Menu, Security, Events (highlighted), Profile, Locations, Security Professional, Users, Notifications, Help, Rate Us, About, and Sign Out. The main content area is titled 'Events' and displays a list of events for Wednesday, January 16. Each event entry includes a timestamp, an icon, a title, and the user's name. The events listed are:

Time	Event Type	User
3:47:05 PM MST	Geofence exited - Disarmed	Chace Griffin
2:27:27 PM MST	User Sync Success Colorado Blvd	First Name Last Name
2:22:40 PM MST	User Sync Begins Colorado Blvd	First Name Last Name
11:36:35 AM MST	User Sync Success Colorado Blvd	First Name Last Name
11:31:20 AM MST	User Sync Begins Colorado Blvd	First Name Last Name
7:31:15 AM MST	Disarmed	Unknown Unknown
1:13:43 AM MST	Armed Away	Jessie Madena
12:34:41 AM MST	Disarmed	Jessie Madena

Below the list, the date 'Tuesday, January 15' is partially visible.

# Profile Tab

The screenshot shows a web browser window displaying the Security Central Profile Tab. The browser's address bar shows the URL <https://totalconnect2.com/home/myprofile>. The page features a dark sidebar on the left with navigation options: Menu, Security, Events, Profile (highlighted), Locations, Security Professional, Users, Notifications, Help, Rate Us, About, and Sign Out. The main content area is divided into three sections: 1. Profile Information: Includes fields for First Name, Last Name, User Type (Master), Notification Language (English), Username (horanmcconahy), Password (with a 'CHANGE PASSWORD' link), and toggle switches for 'Prompt for user code' (off), 'Enable User Code Sync' (on), and 'Security Professional Access' (off). A 'Time Format' dropdown is set to '12 hour'. 2. Email Notifications: A toggle switch is turned on. A note states: 'Note: You can enable push notifications under Notification Settings in the mobile app'. The email field contains 'ashley@securitycentralinc.com' with a trash icon. Below are 'ADD SMS' and 'ADD EMAIL' buttons. 3. Access: A list of locations with dropdown arrows: 11150 E Darmouth Funeral Home, 11150 E. Dartmouth, 3020 Federal, 7577 W 80th Ave, Colorado Blvd, County Line, and Grant St. A 'SAVE' button is located at the bottom right of the page.

From this tab you control the MASTER ADMIN change the password and PRIMARY ACCOUNT notifications.

# Locations Tab

The screenshot displays the Security Central web application interface. The browser window shows the URL <https://totalconnect2.com/home/location>. The page features a dark sidebar menu on the left with options like Security, Events, Profile, Locations (selected), Security Professional, Users, Notifications, Help, Rate Us, About, and Sign Out. The main content area is titled 'Locations' and contains a table with the following data:

Name	Modules	Sync Status
<a href="#">Colorado Blvd</a>	LTE-XA	✓ Panel sync
<a href="#">County Line</a>	CSM9AG	✓ Panel sync
<a href="#">3020 Federal</a>	Security Panel	✓ Panel sync
<a href="#">11150 E Dartmouth</a>	Security Panel	✓ Panel sync
<a href="#">Pipkin</a>	LTE-XV	✓ Panel sync
<a href="#">11150 E Dartmouth Funeral Home</a>	Security Panel	✓ Panel sync
<a href="#">S. Wadsworth Blvd</a>	ISSM9AG	✓ Panel sync
<a href="#">7577 W 80th Ave</a>	ISSM9AG	✓ Panel sync
<a href="#">Grant St</a>	ISSM9AG	✓ Panel sync

At the bottom right of the interface, there is a blue button labeled 'RESTORE TO DEFAULT ORDER'.

# Location Edits

The screenshot shows the 'Locations' management page in the Total Connect 2.0 interface. The page features a sidebar menu on the left and a main content area with a table of locations. The table has three columns: 'Name', 'Modules', and 'Sync Status'. Each row represents a location and includes an 'EDIT' button. A 'COLLAPSE ALL' button is located at the top right of the table area. At the bottom right of the page, there is a 'RESTORE TO DEFAULT ORDER' button.

Name	Modules	Sync Status
<a href="#">Colorado Blvd</a> 1981 S. Colorado Blvd Denver, Colorado	LTE-XA	✓ Panel sync
<a href="#">County Line</a> 5303 East County Line Rd Littleton, Colorado	ESM664G	✓ Panel sync
<a href="#">3020 Federal</a> 3020 Federal Denver, Colorado	Security Panel	✓ Panel sync

From this screen you will be able to edit locations, perform panel and user sync's

## Location Edit's Cont'

The screenshot shows the 'Location Edit' page in the Security Central web interface. The page is titled 'Colorado Blvd' and displays the following information:

- Location Name:** Colorado Blvd
- Address:** 1901 S. Colorado Blvd
- Country:** United States
- State:** Colorado
- City:** Denver
- Zip Code:** 80246
- Time Zone:** (GMT-07:00) Mountain Time (US & Canada)
- Sync Status:** Synced
- Temperature Unit:** Fahrenheit (selected), Celsius
- Multi Family Settings:** Is this a multi-family property? (toggle off)

The 'My Access' section shows a user code field with a masked code (\*\*\*\*) and a slot number of 2. A red arrow points to the 'DELETE CODE' link. Below this section, there are buttons for 'SYNC USERS', 'SYNC PANEL', and 'REFRESH STATUS'. A red warning message is displayed below the buttons:

**WARNING DO NOT CHANGE THIS CODE, If this code does not match the master code in the panel your user sync will always fail**

A 'SAVE' button is located at the bottom right of the page.

From this screen you can change the address, Sync the panel and User

# Sensor Shortcut Tab

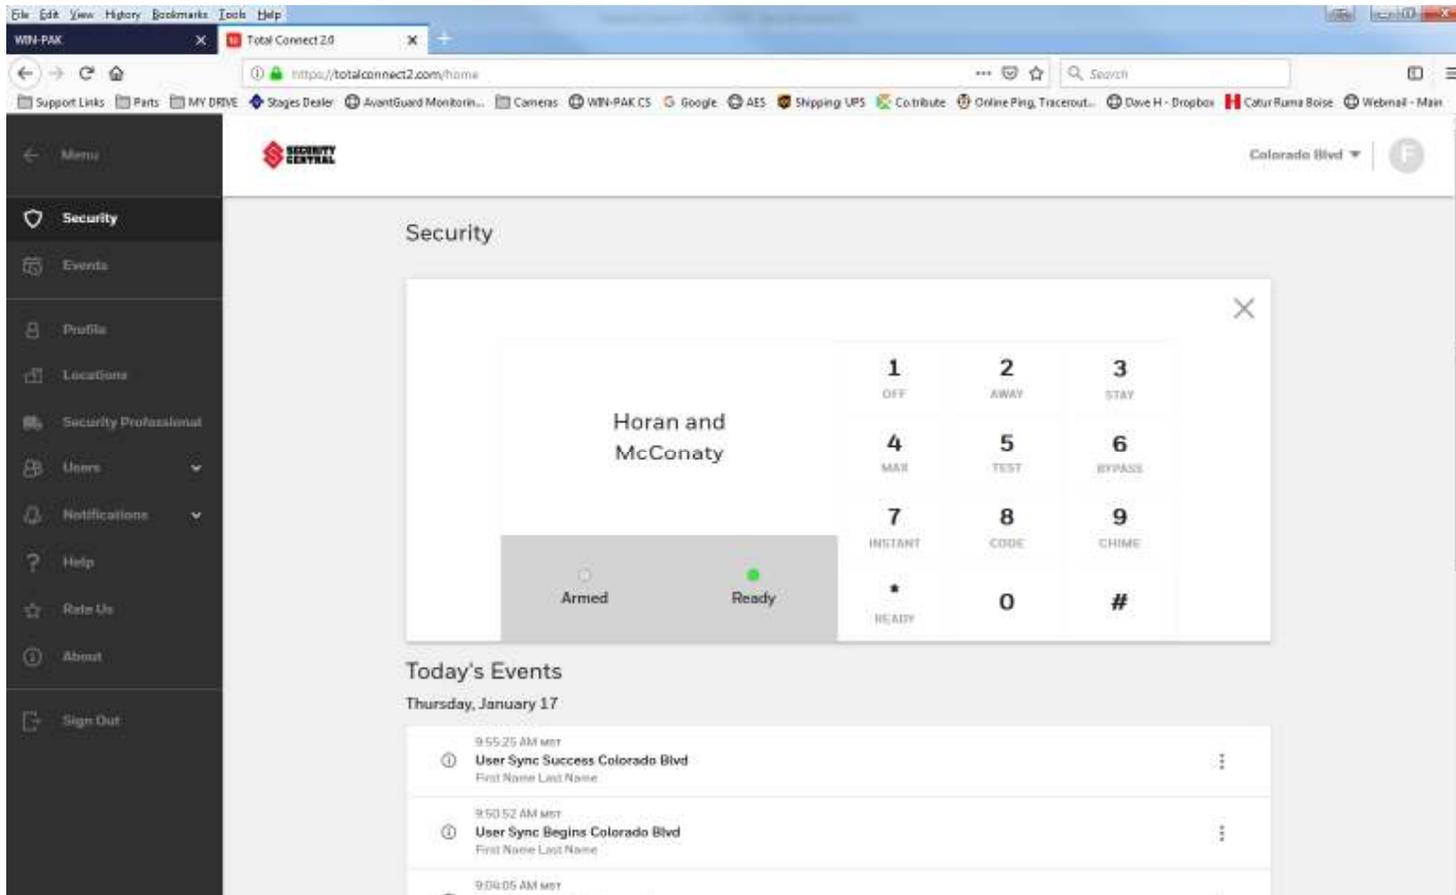

The screenshot displays the Security Central web application interface. The browser window shows the URL <https://totalconnect2.com/home>. The left sidebar contains a navigation menu with items: Menu, Security, Events, Profile, Locations, Security Professional, Users, Notifications, Help, Rate Us, About, and Sign Out. The main content area is titled "Security" and features a "Sensors" modal window. This modal lists "Bypassable Sensors" with the following items:

ID	Sensor Name	Status
2	BASEMENT DOOR	<input type="checkbox"/>
3	NW DOOR DOOR	<input type="checkbox"/>
4	CHAPEL MOTION	<input type="checkbox"/>
5	FLOWER ROOM DOOR	<input type="checkbox"/>
6	BSMT BEAM	<input type="checkbox"/>
7	FRONT MOTION & BEAM	<input type="checkbox"/>
8	GARAGE MOTION GLASS	<input type="checkbox"/>

At the bottom of the modal are two buttons: "CLEAR BYPASS" and "BYPASS". Below the modal, the "Today's Events" section shows a log entry for Thursday, January 17, at 9:55:25 AM MST: "User Sync Success Colorado Blvd".

From this tab you can view sensor status and if necessary bypass sensors

# Keypad Shortcut

The keypad here works exactly like the keypad on site

# User Tab - All Location Users

The screenshot shows a web browser window displaying the 'Users' page in the Security Central application. The page title is 'Users' and it includes a navigation sidebar on the left. The main content area displays a table of users with the following columns: Name, Notifications, User Type, and Status. The table lists several users, including Abby DeRoo, Alex Unknown, Alexander Boyle, Alice Wheeler, Alvin Braswell (Verified), Alyson Richmond, Amy May, Amy Crew, Ashley Mellichampe (Needs Verification), and Ben Kubier. A line points to the 'Enabled' status of Ben Kubier.

<input type="checkbox"/>	Name	Notifications	User Type	Status
<input type="checkbox"/>	Abby DeRoo		Panel Only	Enabled
<input type="checkbox"/>	Alex Unknown		Panel Only	Enabled
<input type="checkbox"/>	Alexander Boyle		Panel Only	Enabled
<input type="checkbox"/>	Alice Wheeler		Panel Only	Enabled
<input type="checkbox"/>	Alvin Braswell AlvinBraswell	Verified	Standard	Enabled
<input type="checkbox"/>	Alyson Richmond		Panel Only	Enabled
<input type="checkbox"/>	Amy May		Panel Only	Enabled
<input type="checkbox"/>	Amy Crew		Panel Only	Enabled
<input type="checkbox"/>	Ashley Mellichampe AshleyMellichampe	Needs Verification	Standard	Invite Sent
<input type="checkbox"/>	Ben Kubier		Panel Only	Enabled

# Adding a user

The screenshot shows the 'Users' management interface in the Security Central web application. The page title is 'Users' and it includes a navigation sidebar on the left. The main content area displays a table of users with the following columns: Name, Notifications, User Type, and Status. A red arrow points to a link that says 'Click Here to add user'.

To view your own information please go to [profile](#).

[Click Here to add user](#)

<input type="checkbox"/>	↑ Name	Notifications	User Type	Status
<input type="checkbox"/>	A <a href="#">Abby DeRoo</a>		Panel Only	Enabled
<input type="checkbox"/>	A <a href="#">Alex Unknown</a>		Panel Only	Enabled
<input type="checkbox"/>	A <a href="#">Alexander Boyle</a>		Panel Only	Enabled
<input type="checkbox"/>	A <a href="#">Alice Wheeler</a>		Panel Only	Enabled
<input type="checkbox"/>	A <a href="#">Alvin Braswell</a> AlanBraswell	Verified	Standard	Enabled
<input type="checkbox"/>	A <a href="#">Alyson Richmond</a>		Panel Only	Enabled
<input type="checkbox"/>	A <a href="#">Amy May</a>		Panel Only	Enabled
<input type="checkbox"/>	A <a href="#">Amy Crew</a>		Panel Only	Enabled
<input type="checkbox"/>	A <a href="#">Ashley Mellichampe</a> AshleyMellichampe	Needs Verification	Standard	Invite Sent
<input type="checkbox"/>	R <a href="#">Ben Kubier</a>		Panel Only	Enabled

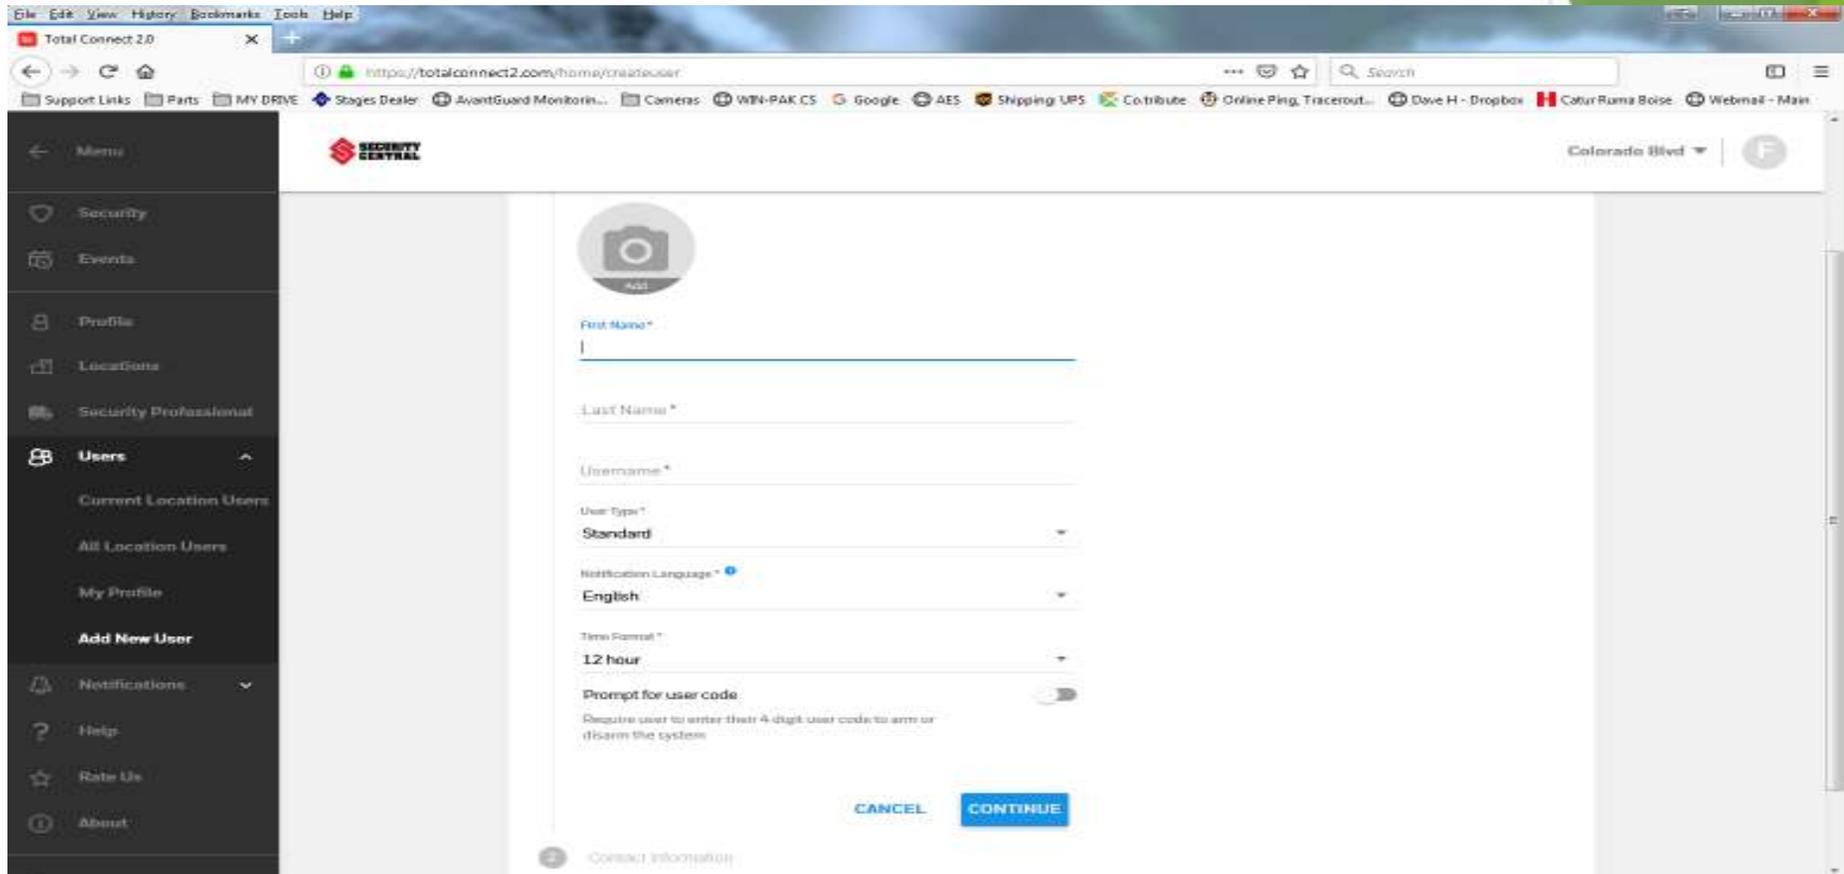

## Add User Step 2

The screenshot shows the 'Users' management page in the Total Connect 2.0 interface. A dialog box titled 'Select User Type' is open, allowing the user to choose between three user types: Admin, Standard, and Panel Only. The background shows a list of users with columns for Name, Status, and a dropdown menu.

Name	Status
Abby DuRoi	Enabled
Alex Unknown	Enabled
Alexander Boyle	Enabled
Alice Wheeler	Enabled
Alvin Braswell	Enabled
Alyson Richmond	Enabled
Amy May	Panel Only
Amy Crew	Panel Only
Ashley Mellichamp	Standard
Ben Kubier	Panel Only

On this screen you will need to decide if you are setting up a TOTAL CONNECT Admin, a Standard (total connect user) or a panel only user

## Adding Standard or Admin User

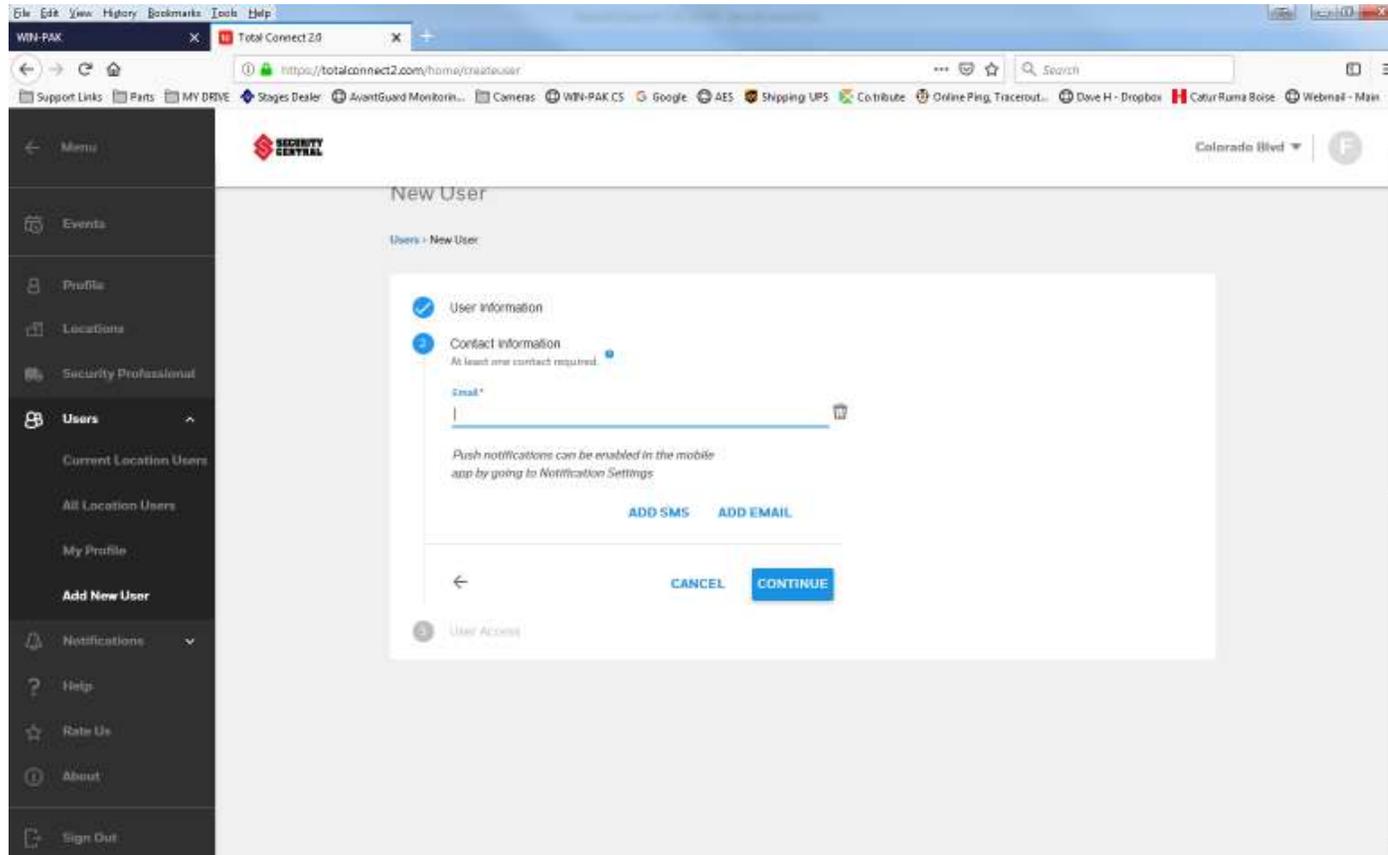

The screenshot shows the 'Add New User' form in the Total Connect 2.0 web interface. The form is titled 'Add' and includes the following fields and options:

- First Name \***: A text input field.
- Last Name \***: A text input field.
- Username \***: A text input field.
- User Type \***: A dropdown menu with 'Standard' selected.
- Notification Language \***: A dropdown menu with 'English' selected.
- Time Period \***: A dropdown menu with '12 hour' selected.
- Prompt for user code**: A toggle switch that is currently turned on. Below it, the text reads: 'Require user to enter their 4-digit user code to arm or disarm the system'.

At the bottom of the form, there are two buttons: 'CANCEL' and 'CONTINUE'. A 'Contact Information' link is visible at the bottom left of the form area.

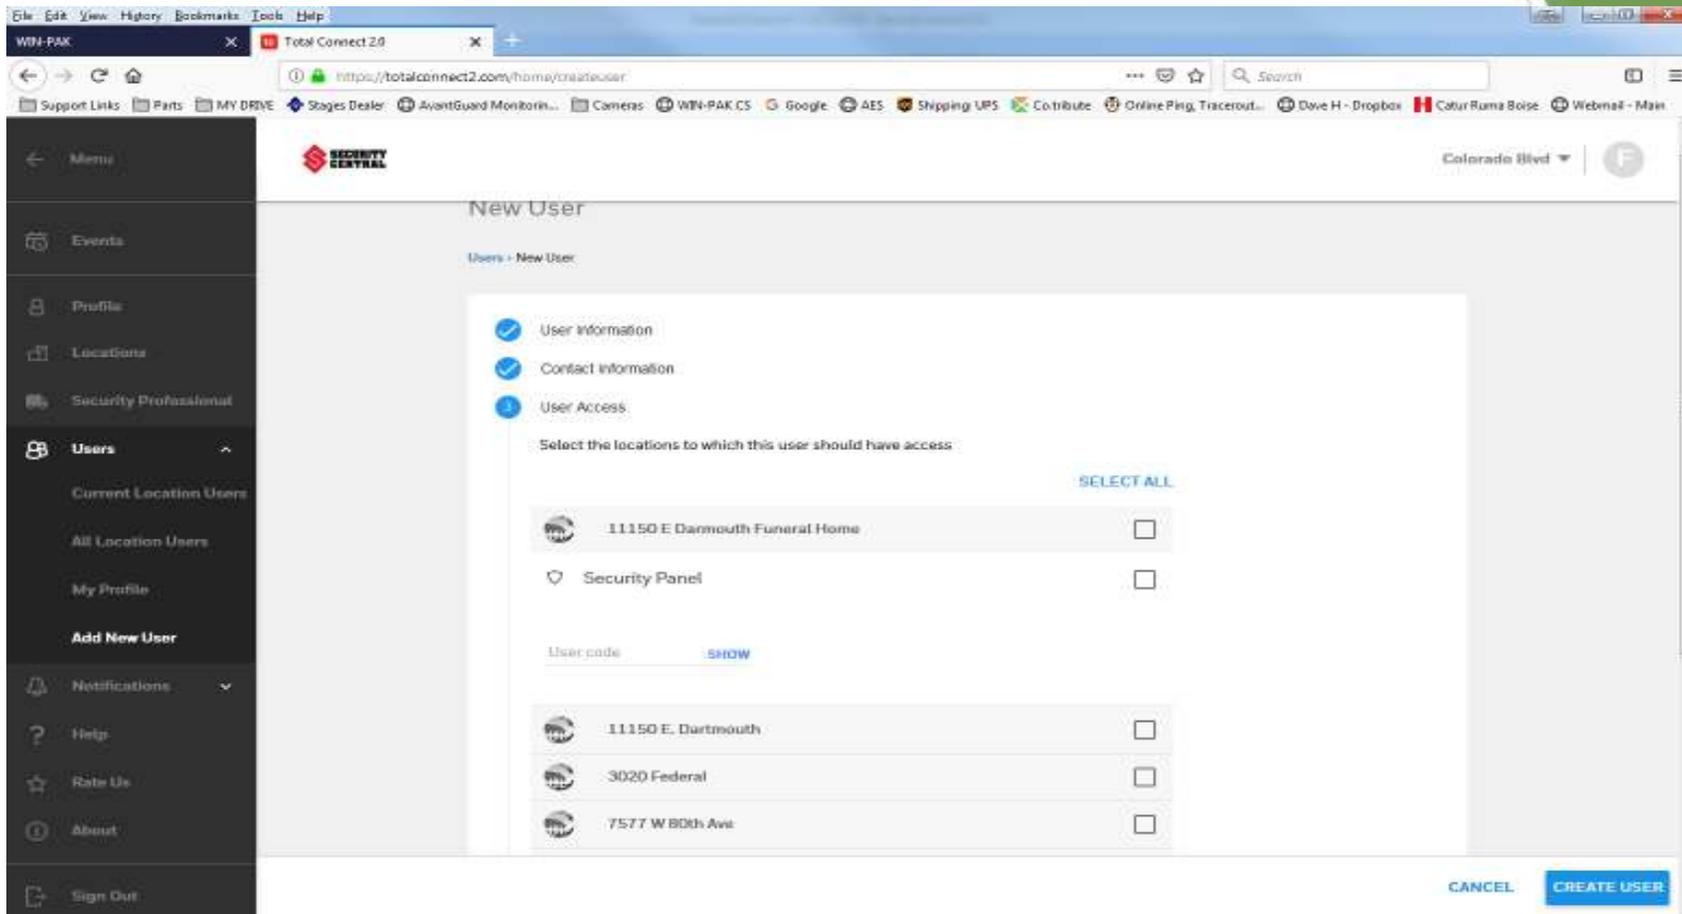

Once you have chosen admin or standard user you will need to add the users name and select the user type if it has not already there

# Adding Standard and Admin User Cont'

Once you select continue on the previous screen you will need to enter the email address then confirm that address, You can also add sms on this screen as well.

# Adding Standard and Admin user Cont'

This screen you will assign locations and panel code, You will not be able to assign a slot number the panel will auto assign that.

# Syncing Users

The screenshot displays the 'Users' management interface in the Total Connect 2.0 web application. The page title is 'Users' and it includes a navigation sidebar on the left with options like Security, Events, Profile, Locations, and Users. The main content area shows a table of users with columns for Name, Notifications, User Type, and Status. A red arrow points to a 'Sync Users' button in the top right corner of the table. A dropdown menu is open, showing a list of locations: All Locations, Colorado Blvd, County Line, 3020 Federal, 11150 E. Dartmou..., and Pipkin.

	Name	Notifications	User Type	Status
<input type="checkbox"/>	Abby DeRoo		Panel Only	Enabled
<input type="checkbox"/>	Alex Unknown		Panel Only	Enabled
<input type="checkbox"/>	Alexander Boyle		Panel Only	Enabled
<input type="checkbox"/>	Alice Wheeler		Panel Only	Enabled
<input type="checkbox"/>	Alvin Braswell Alan Braswell	Verified	Standard	Enabled
<input type="checkbox"/>	Alyson Richmond		Panel Only	Enabled
<input type="checkbox"/>	Amy May		Panel Only	Enabled
<input type="checkbox"/>	Amy Crew		Panel Only	Enabled
<input type="checkbox"/>	Ashley Mellichamp AshleyMellichampe	Needs Verification	Standard	Invite Sent
<input type="checkbox"/>	Ilen Kubier		Panel Only	Enabled

After you make any changes to users you MUST perform a user sync to send the data to the panel.

# Add Panel Only User

The screenshot shows the 'Users' management page in the Total Connect 2.0 interface. A modal dialog titled 'Select User Type' is open, allowing the user to choose a user type. The 'Panel Only' option is selected. The background shows a list of users with columns for Name, User Type, and Status.

Name	User Type	Status
Abby DeRose	Admin	Enabled
Alex Unknown	Admin	Enabled
Alexander Boyle	Admin	Enabled
Alice Wheeler	Admin	Enabled
Alvin Brazwell	Admin	Enabled
Alyson Richmond	Admin	Enabled
Amy May	Panel Only	Enabled
Amy Crew	Panel Only	Enabled
Ashley Mellichamp	Standard	Needs Verification
Ben Kubler	Panel Only	Enabled

Click panel user

# Add Panel User Cont'

The screenshot shows a web browser window with the URL <https://totalconnect2.com/home/createuser>. The page is titled "SECURITY CENTRAL" and has a navigation menu on the left. The main content area is a form for creating a new user. The form includes the following fields and options:

- First Name \***: A text input field with a red error message below it: "First name is mandatory."
- Last Name \***: A text input field.
- User Type \***: A dropdown menu with "Panel Only" selected.
- User Access**: A section with a blue question mark icon and the text "Select the locations to which this user should have access." Below this is a "SELECT ALL" button.
- Location Selection**: A list of locations with checkboxes. The first location is "11150 E Darmouth Funeral Home" with a checked checkbox. Below it is "Security Panel" with an unchecked checkbox.
- User code**: A text input field with a "SHOW" button next to it.
- Buttons**: "CANCEL" and "CREATE USER" buttons are located at the bottom right of the form.

Enter name, user code and location click create user.

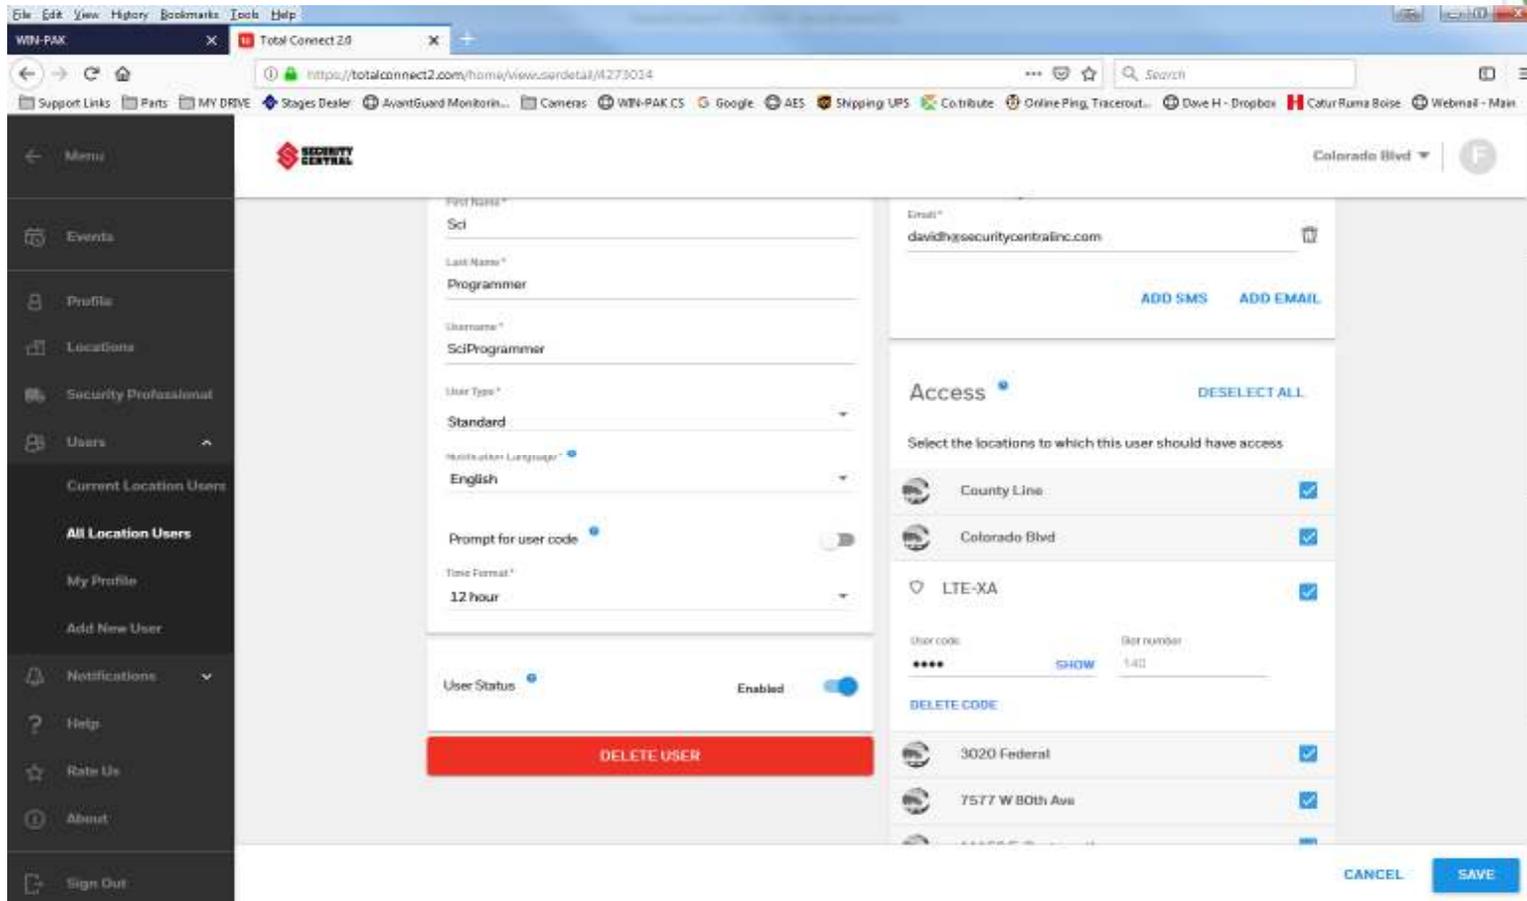

# Syncing Users

The screenshot displays the 'Users' management interface in the Total Connect 2.0 web application. The page title is 'Users' and it includes a navigation sidebar on the left with options like Security, Events, Profile, Locations, and Users. The main content area shows a table of users with columns for Name, Notifications, User Type, and Status. A red arrow points to a 'Sync Users' button in the top right corner of the table. A dropdown menu is open, showing a list of locations: All Locations, Colorado Blvd, County Line, 3020 Federal, 11150 E. Dartmou..., and Pipkin.

	Name	Notifications	User Type	Status
<input type="checkbox"/>	Abby DeRoo		Panel Only	Enabled
<input type="checkbox"/>	Alex Unknown		Panel Only	Enabled
<input type="checkbox"/>	Alexander Boyle		Panel Only	Enabled
<input type="checkbox"/>	Alice Wheeler		Panel Only	Enabled
