Keypad Shortcut

The screenshot shows a web browser window with the URL <http://totalconnect2.com/home>. The page displays a security keypad interface for 'Security'. The keypad shows the status '***Horan & MC*** READY TO ARM' and two indicators: 'Armed' (off) and 'Ready' (on). The keypad buttons are: 1 OFF, 2 AWAY, 3 STAY, 4 MAIL, 5 TEST, 6 BYPASS, 7 INSTANT, 8 CODE, 9 CHIME, * READY, and 0 #. Below the keypad, there is a 'Today's Events' section for Thursday, January 17, listing events like 'User Sync Success' and 'User Sync Begins' for '11150 E Darmouth Funeral Home'.

The keypad here operates exactly like your keypad on site

Step 3 Events tab

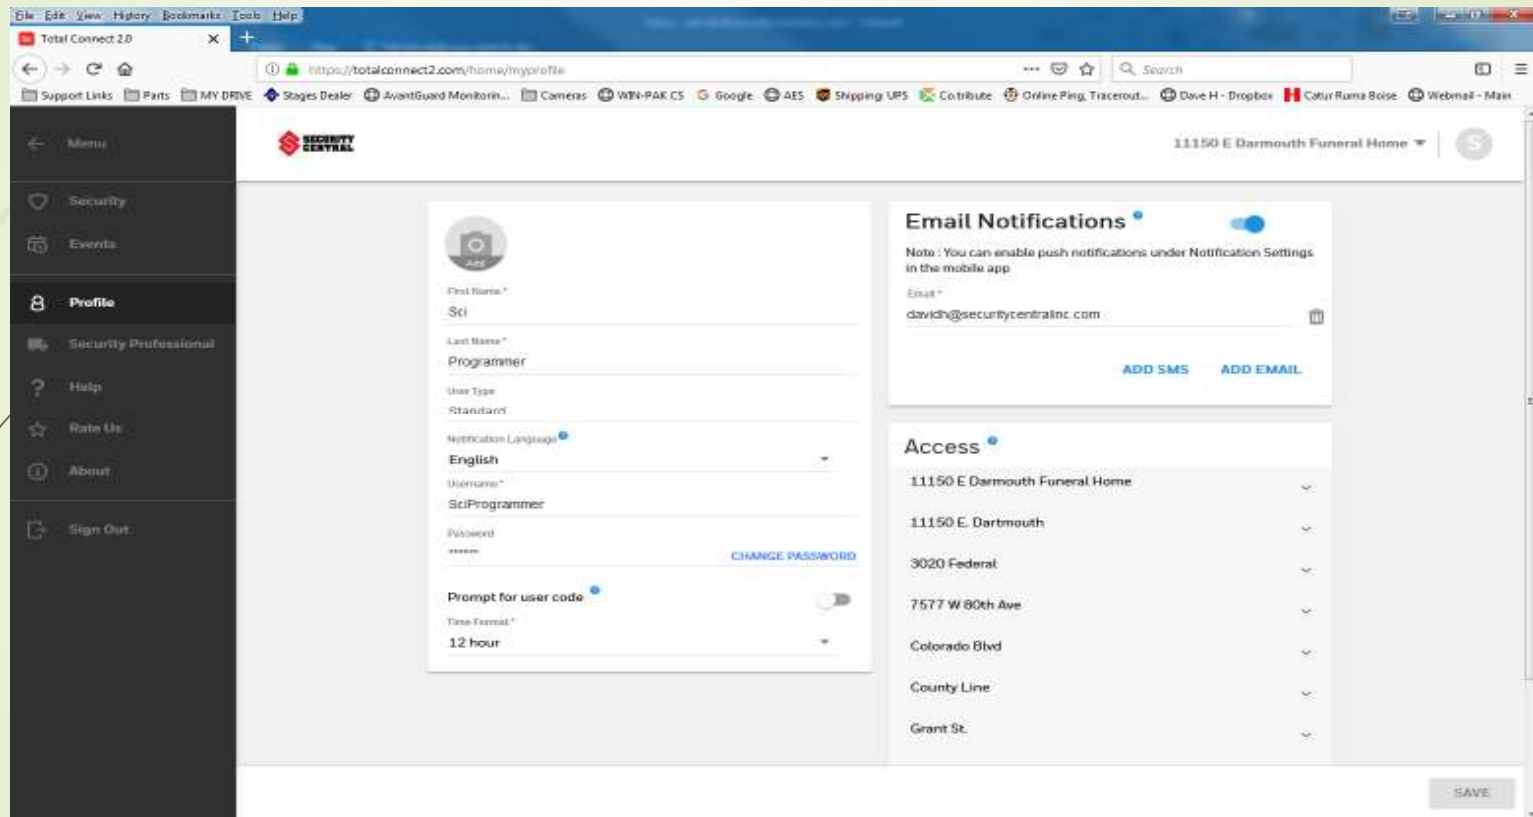

The screenshot displays the 'Events' tab in the Total Connect 2.0 web interface. The left sidebar contains navigation options: Menu, Security, Events (selected), Profile, Security Professional, Help, Rate Us, About, and Sign Out. The main content area shows a list of events for Thursday, January 17, with the following details:

This screen allows you to view events on your alarm system

Step 4 Profile Tab

The screenshot shows a web browser window displaying the 'Profile' tab of the Security Central user interface. The browser's address bar shows the URL <https://totalconnect2.com/home/myprofile>. The page features a dark sidebar on the left with navigation options: Menu, Security, Events, Profile (highlighted), Security Professional, Help, Rate Us, About, and Sign Out. The main content area is divided into three sections: 1. Profile Information: Includes fields for First Name (Sci), Last Name (Programmer), User Type (Stantant), Notification Language (English), Username (SciProgrammer), and Password (masked with asterisks). A 'CHANGE PASSWORD' link is visible below the password field. There is also a 'Prompt for user code' toggle switch and a 'Time Format' dropdown set to '12 hour'. 2. Email Notifications: A section with a toggle switch turned on, a note about enabling push notifications, an email field containing 'davidn@securitycentralinc.com', and buttons for 'ADD SMS' and 'ADD EMAIL'. 3. Access: A list of locations with dropdown arrows, including '11150 E Darmouth Funeral Home', '11150 E. Dartmouth', '3020 Federal', '7577 W 80th Ave', 'Colorado Blvd', 'County Line', and 'Grant St.'. A 'SAVE' button is located at the bottom right of the page.

This is where you can change your notifications and password
